**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

O depend upon my wonderful local ISP for Internet and voice service. Their technical support is superior and I have been their customer for 20 years.

Please don't put them out of business. Keep some level of competition in the marketplace. I don't want to deal with Comcast or AT&T.

Sonic uses unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace. Let them fairly compete for residential business.
